# EDITORIAL COMMENT

The Journal of School of Secondary, Education (Science Programmes) (JOPSSED) a publication of original research report of Pure Science and Science Education. Publishing this Journal has brought together great minds and dedicated academic scholars to help review and select quality manuscripts worthy of the objective and philosophy of the journal. The assessment of the articles had gone through peer reviewers many of them rendered their services promptly, enthusiastically and without charge, we remain ever grateful.

The journal will continue to move knowledge and research forward in a purposeful way through scholarly publishing of quality articles for education, technological and professional advancement.

The Educational board ensures there is no delusive information in the journal and it is hope that the articles will deepen the professional knowledge and raise the academic savvy of our readers.

Dr. Omolara Olubunmi ADEBOYE
